Dear Sirs:-

Would you kindly give me the name and address of the concern that makes the cabinets in which you exhibit medals? I would like to have a similar case made for my personal use.

Sincerely,

Dear Sir:

Replying to your communication of November 20th, we have several kinds of cases in our Exhibition room. I doubt if I can answere your question satisfactorily until you let me know just what cases you mean. Practically all of ours have been made to order by cabinet-makers, with the exception of the steel wall cases which were presented to us several years ago, and we have no idea who made them.

If you are a collector of medals, we should be glad to have you visit our exhibition of Foreign medals which has just been opened and which will close in the middle of January next.

Very truly yours,

Curator
